How to read this plan

The plan follows the move in order: the whole trip first, then each leg, then each stop, then what to do when something goes wrong. Read pages 1 to 3 before the recon drive. In the car, the driver card on page 18 is the one page you need.

Page	What it is	What's on it
1	**How to read this plan**	This page.
2	**Cover**	The move at a glance: stops, times, the verdict for each leg and stop, weather and watch-outs.
3	**Trip map and events check**	All legs on one map, and anything in town that could block or crowd us.
4 to 12	**Legs 1 to 3**	Each leg's map view, then the linear view of the same leg: primary and alternate strip maps. Leg 1 is pages 4 to 6, leg 2 is 7 to 9, leg 3 is 10 to 12.
13 to 15	**Stops**	One page per place: overhead view, curb, door, backup point, where the car waits, rally point, hand-off.
16	**Medical**	Trauma center and help nearby, with the hospital run turn by turn from each stop.
17	**Recon, day-of checks, comms**	What to confirm on the recon drive, checks on the day, code words and the comms-down rule.
18	**Driver card**	The whole plan on one page for the car.
19 to 20	**Blank forms**	Recon log (planned vs driven) and the after-move note.

Verdicts: green, amber, red

GREEN	**Go as planned**	Nothing to change. Drive the primary.
AMBER	**Go, with the notes**	Read the notes on that page. Usually a backup point, timing or a recon item.
RED	**Change the plan**	Do not drive it as written. Fix it, or move the time or the stop.

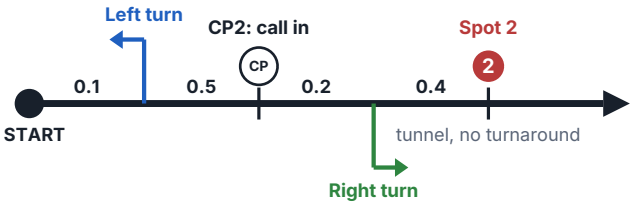

Every leg, every stop and the whole move get one. The worst leg or stop sets the overall verdict.

Symbols

- **Blue line:** primary route.
- **Amber line:** alternate route.
- **Red number:** predictable spot. Read its **if blocked, go** line.
- **CP1, CP2, CP3:** checkpoints. Call each one in: rolling, call in, 2 min out.
- **Numbered circle:** a stop on the timeline.
- **Red cross:** trauma center.
- **Blue shield:** police station.
- **Orange flame:** fire station.
- **Green house:** secure venue to wait in, like a hotel lobby.
- **Amber triangle:** watch-out: closures, roadworks, security zones.
- **Purple ticket:** event that could crowd the route.

On the stop photos: **D** = where the car stops, **B** = backup point, **R** = rally point.

Strip maps: how to read the line

Drive left to right. **Above the line = left turn. Below the line = right turn.** A tick on the line is a straight-on event like a tunnel or merge. Numbers on the line are miles between turns. Not to scale.

Key terms

Leg	One drive from one place to the next.
Primary / alternate	The planned route, and a second one that shares as little road with it as possible.
Predictable spot	A place we must pass or stop at a known time, like a curb or a tunnel. Where an attack is easiest to plan.
Choke point	A place with no way out, like a tunnel, ramp or one-way block.
If blocked, go	Where to go when a spot is blocked. Decide it now, not in the car.
Backup point	A second curb if the planned one is blocked.
Rally point	Where everyone meets if separated or comms go down.
Safe haven	Somewhere close to get the principal inside: police, fire, hospital or a staffed lobby.
Comms-down rule	What to do with no contact: 5 min, go to the rally point; phones down, wait 15 min, then return to the hotel.
Recon to confirm	Could not be seen on a map. Check it on the recon drive.
Hand-off	The drive team owns the route and the curb. The site advance owns everything past the door.

DRIVE TEAM PACKET

Route advance: Willard to The Anthem to Fiola Mare and back

Made-up trip built to test the route advance skill. Places are real and public; principal, team and event are made up. Map data read Nov 9 and 10, 2026.

Principal	ATLAS (code name)
Date	Friday, Nov 20, 2026, evening. All times Eastern.
Team and vehicle	Principal plus 1 agent driving, one SUV. Site advance person meets us at The Anthem.
Risk	Medium (default)
Stops	**Start/end:** InterContinental The Willard, 1401 Pennsylvania Ave NW **1.** The Anthem, 901 Wharf St SW: private reception 6:00 to 8:00 PM (made up) **2.** Fiola Mare, 3050 K St NW (Washington Harbour): dinner about 8:15 to 10:15 PM
Overall	AMBER: go as planned, with two notes: concert crowd at The Anthem pick-up, and one way in and out at Washington Harbour.

Timeline and verdicts

1	**5:30 PM**	**Willard: depart** Penn Ave frontage. Window 5:25 to 5:35.	GREEN
	1.7 mi	9 to 11 min, 13 with buffer. 15th St, Penn Ave, 9th St tunnel.	GREEN
2	**5:43 to 8:00 PM**	**The Anthem** Reception 6:00 to 8:00. Concert crowd at pick-up.	AMBER
	3.2 mi	12 to 13 min, 15 with buffer. Independence Ave, Potomac Fwy, K St.	AMBER
3	**8:15 to 10:15 PM**	**Fiola Mare** Dinner. Closes 10:30 PM. One way in and out.	AMBER
	2.0 mi	11 to 12 min, 15 with buffer. K St, 17th St, H St, 14th St.	GREEN
4	**10:30 PM**	**Willard: arrive** Agent walks the principal to the room.	

Drive times: Mapbox and TomTom for those departure times, read Nov 9. The higher one sets the buffer.

Weather and light

AccuWeather | Washington DC (Ellipse)

FRI 11/20 — **56°** 40°

NORMAL FOR THE DATE, NOT A FORECAST

Sunset 4:51 PM — Dark 5:19 PM

Rain chance and amount: not out yet. Nov 20 enters the 10-day forecast about Nov 11; recheck then and on the day.

Record for the date: 79° high (1942), 20° low (1901). Last year: 49° / 42°.

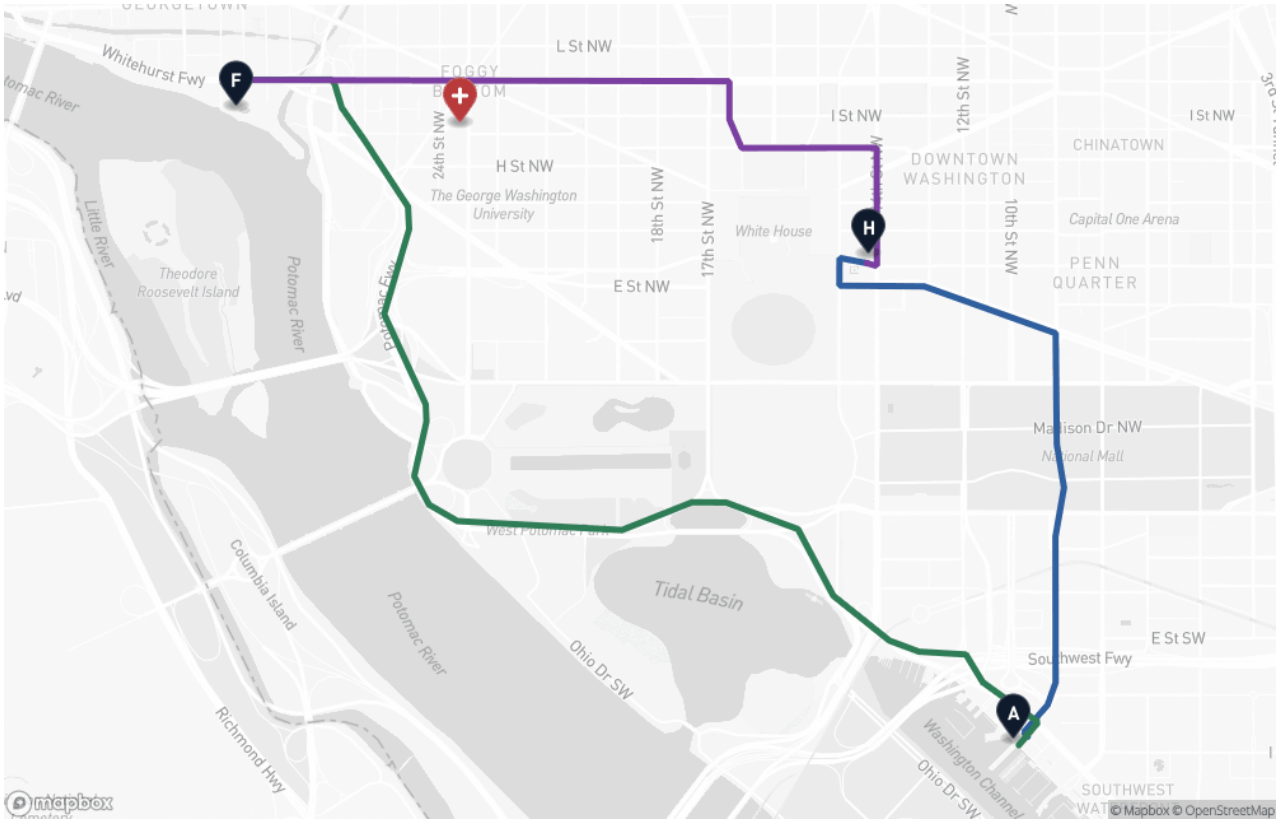

Impact: all three legs run after dark. Lit curbs, flashlight, cold-weather layer for the principal.

Watch-outs

- **Concert at The Anthem, show 8:00 PM** (JamBase and Songkick, read Nov 10). Crowd builds from about 7 PM and meets our 8:00 PM pick-up. Other venues: see the events check on page 3.
- **Fiola Mare closes 10:30 PM** on Fridays (TomTom listing). Our 10:15 PM departure is close to closing.
- **One way in and out at Washington Harbour.** Both routes use K St under the Whitehurst Fwy.
- **White House security zone** next to the Willard (15th St, 17th and H St). Streets can close with little notice.

TRIP MAP AND EVENTS CHECK

All three legs, primary routes

Leg 1 Leg 2 Leg 3 Trauma center

H = Willard (start and end). A = The Anthem. F = Fiola Mare. Cross = George Washington University Hospital, Level I trauma center. Map: Mapbox, OpenStreetMap.

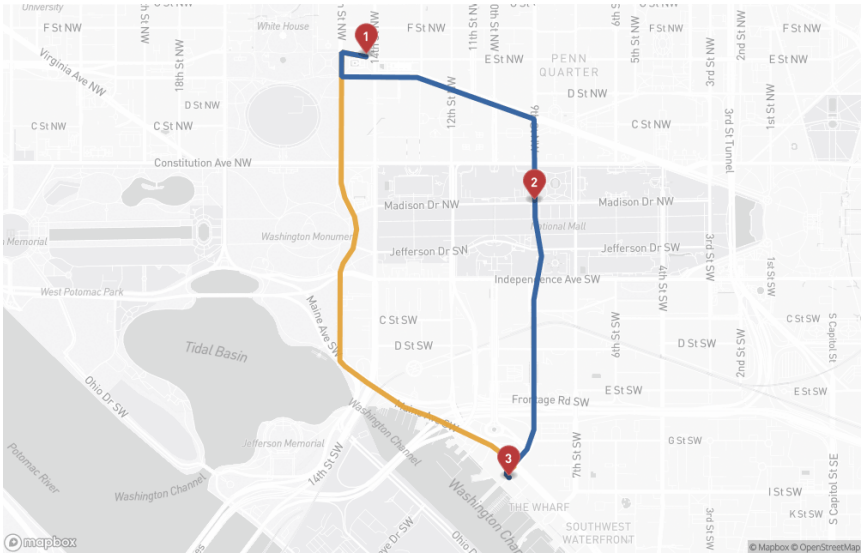

Citywide events at move time, 5:15 to 10:45 PM

Checked Nov 10 on venue sites and public listings. Check again the day before and 30 minutes before each move.

What	Where	Effect on us
Concert, show 8:00 PM	The Anthem (our stop)	Crowd at the leg 1 arrival and the leg 2 pick-up. Use the backup point.
Arena concert listed, may have moved	Capital One Arena, 3 blocks from 9th St	Probably nothing. Re-check the arena calendar; if on, use the leg 1 alternate.
Championship match setup (match is Sat)	Audi Field, Buzzard Point	Possible trucks off Maine Ave SW. Look on recon.
Closed for renovation	Kennedy Center	No show crowds. Construction traffic possible near Rock Creek Pkwy.
Nothing found	National Theatre, Warner Theatre, Convention Center	Warner not confirmed. Re-check the day before.
No march or permit found	Lafayette Square, the Ellipse	Permits can be granted at short notice. Check police traffic advisories 24 to 48 hours out.
School zones	Citywide	Not in force in the evening.

LEG 1 | DEPART 5:30 PM | MAP VIEW, LINEAR VIEW ON PAGES 5 AND 6

Willard to The Anthem

Primary | Alternate | 1 Predictable spot (numbered) | Cross = trauma center

	Route	Distance	Drive time
Primary	Penn Ave west, left 15th St, left Penn Ave east, right 9th St NW into the 9th St Expressway tunnel under the Mall, on to Maine Ave and Water St SW	1.7 mi	9 min Mapbox, 11 min TomTom
Alternate	15th St south past the Washington Monument, Raoul Wallenberg Pl, Maine Ave SW east to the Wharf	1.5 mi	13 min TomTom

The two routes share only the first 0.1 mi (Penn Ave to 15th St). If 15th St is closed, both are affected: go east on Penn Ave and south on 9th St.

Predictable spots and choke points

	Where	Why it matters	If blocked, go
1	**Willard curb, Pennsylvania Ave**	Busy frontage beside plazas used for rallies; principal crosses the sidewalk	Car at the door first. If blocked: F St side of the hotel (backup point)
	15th St and Penn Ave	White House security zone; closures with little notice	Penn Ave east to 9th St
2	**9th St Expressway tunnel entry**	No turnaround once inside	If closed before you commit: alternate via 15th St and Maine Ave
	Maine Ave to the Wharf	Concert crowd and rideshare building from about 7 PM	Arrive by 5:45 PM, before the crowd
3	**Wharf drop-off and last 200 yards**	Narrow shared streets, people walking in the road	Drop at the InterContinental, 801 Wharf St SW (backup and rally point)

Closures and roadworks

TomTom, read Nov 9, 10:45 AM. Read again on the day.

- Bridge listed closed between 14th St SW and Maine Ave SW (indefinite, since Jul 30). It sits next to the alternate's Maine Ave stretch. **Recon to confirm** which ramp is closed.
- 8th St NW (E to F St) and F St NW (7th to 9th St) closed. Not on our routes.

Leg verdict

GREEN

Short, two workable routes, and we arrive before the concert crowd builds.

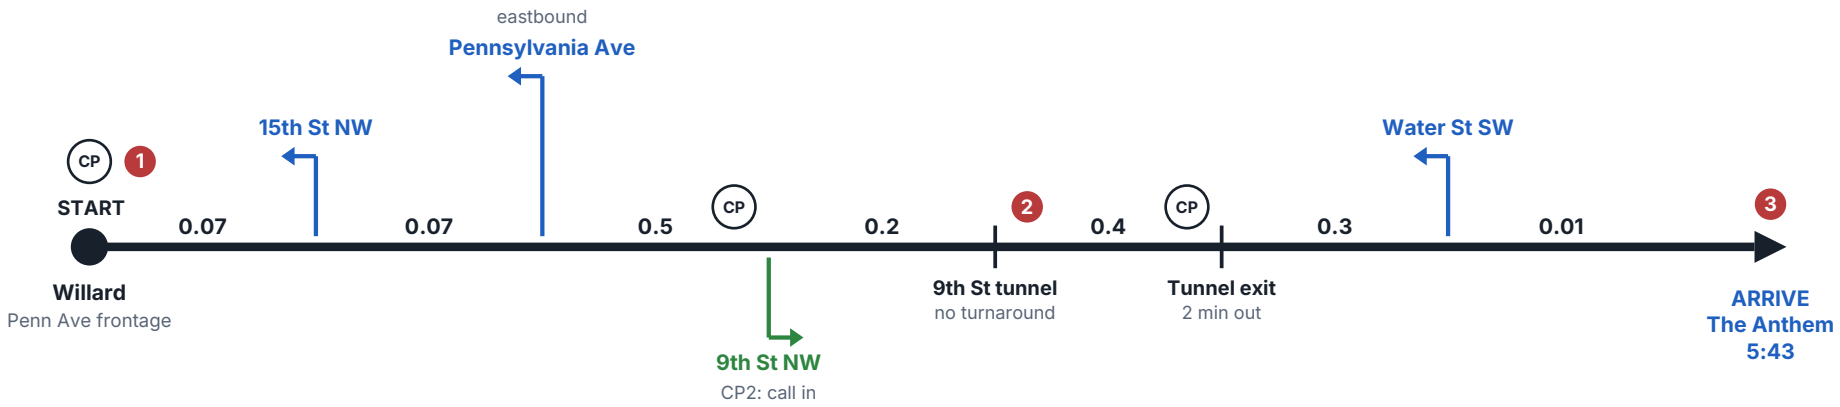

Primary Route | Leg 1 of 3: Willard > The Anthem

LEG 2 | DEPART 8:00 PM | MAP VIEW, LINEAR VIEW ON PAGES 8 AND 9

The Anthem to Fiola Mare

Primary | Alternate | 1 Predictable spot (numbered) | Cross = trauma center

	Route	Distance	Drive time
Primary	Out to Maine Ave SW, Independence Ave SW west, Potomac Freeway (I-66) north, Rock Creek Pkwy, 27th St ramp, K St NW west under the Whitehurst Fwy, sharp left into Washington Harbour	3.2 mi	12 min Mapbox, 13 min TomTom
Alternate	Maine Ave, 12th St Expressway north, Constitution Ave west, 23rd St north, Rock Creek Pkwy, K St NW	3.4 mi	16 min TomTom

The routes split after Maine Ave but **share about the last mile** (Rock Creek Pkwy and K St). No mapped option avoids K St.

Predictable spots and choke points

	Where	Why it matters	If blocked, go
1	**The Anthem pick-up at 8:00 PM**	Concert start: crowd, rideshare queue, police directing traffic	Pick up at the InterContinental, 801 Wharf St SW
	Independence Ave, 17th to 23rd St	Roadworks listed	Alternate via Constitution Ave
	Potomac Freeway ramps	Few exits, roadworks listed	Know the exits before you enter
	Rock Creek Pkwy ramp to K St	No shoulder, can't stop safely	Keep moving; don't stop on the ramp
2	**K St under the Whitehurst Fwy into the Harbour**	Single approach to a waterfront dead end, on both routes	M St NW to 31st St NW, then down to K St (test on recon)

Closures and roadworks

TomTom, read Nov 9, 10:45 AM. Read again on the day.

- Roadworks on I-66 / Potomac River Fwy between the E St Expressway and Memorial Bridge (since Oct 22). On the primary.
- Roadworks on Independence Ave between 17th and 23rd St. On the primary.
- Bridge listed closed between 14th St SW and Maine Ave SW. Near the start of this leg. **Recon to confirm.**

Leg verdict

AMBER

Concert crowd at the pick-up and one way into Washington Harbour. Plan the backup pick-up now and test the M St approach on recon.

LEG 3 | DEPART 10:15 PM | MAP VIEW, LINEAR VIEW ON PAGES 11 AND 12

Fiola Mare to the Willard

Primary | Alternate | 1 Predictable spot (numbered) | Cross = trauma center

	Route	Distance	Drive time
Primary	K St NW east (under the Whitehurst Fwy, through the Washington Circle underpass), right 17th St, left H St, right 14th St, right Penn Ave	2.0 mi	12 min Mapbox, 11 min TomTom
Alternate	K St, Rock Creek Pkwy south, Independence Ave east, 15th St, Jefferson Dr, 14th St north, Penn Ave	3.1 mi	11 min TomTom

The routes share only the first 0.2 mi, the way out of Washington Harbour. The alternate is longer but just as fast at night.

Predictable spots and choke points

	Where	Why it matters	If blocked, go
1	**Out of Washington Harbour onto K St**	Only way out by car	Car staged facing out. If blocked, principal waits at the table or walks to the Ritz-Carlton Georgetown, 3100 South St NW (rally point)
	Washington Circle underpass	Short tunnel, no turnaround	Alternate south on Rock Creek Pkwy
	17th and H St, Lafayette Square	White House security zone	Use the alternate
2	**Willard frontage arrival**	Final stop on a busy avenue next to the security zone	F St side of the hotel

Closures and roadworks

TomTom, read Nov 9, 10:45 AM. Read again on the day.

- Roadworks on Independence Ave between 17th and 23rd St. On the alternate.
- No closures listed on the primary when read.

Leg verdict

Rally point	InterContinental Washington DC The Wharf lobby, 801 Wharf St SW (R), about 1 min walk. Same place as the backup point.	Map. Lobby hours: **recon**
Verdict	**AMBER**: concert crowd at the 8:00 PM pick-up. Use the backup point.	Plan

Crowd at 8:00 PM. A public concert is listed at The Anthem that night with an 8:00 PM show time (JamBase and Songkick, read Nov 10). Ask the site advance whether the reception can end 15 minutes earlier, or use the backup point for pick-up.

Hand-off to the site advance

- Site advance person meets the car at the drop-off at 5:43 PM and walks the principal in.
- Site advance gives the driver a 10-minute call before departure, and any change of exit door.
- Site advance tells the driver about crowds or press outside before the principal walks out.
- Driver confirms on arrival which door the principal will leave by.

STOP 2 | ARRIVE ABOUT 8:15 PM, DEPART 10:15 PM

Fiola Mare, 3050 K St NW (Washington Harbour)

F = the restaurant. E = where the car stops, K St NW at 31st St. R = rally point, the Ritz-Carlton Georgetown. Satellite: Mapbox, Maxar.

Building overview. Restaurant at the west end of Washington Harbour, a riverfront complex on the Potomac below K St and the Whitehurst Freeway. Cars reach it only from K St. The restaurant sits on the waterfront about 90 yards south of the K St curb.

Item	Detail	Source
Entrances	Restaurant door on the riverfront side. Walkway from K St down the west side along 31st St NW.	Walkway: overhead view. Doors: **recon to confirm**
Drop-off	K St NW at the 31st St corner (E), then about 90 yards on foot.	Map, overhead view
Pick-up	Same point. Car staged facing east on K St before the principal stands up.	Plan
Car hold	Washington Harbour garage, entrance off K St.	**Recon to confirm**
Backup point	Four Seasons Hotel motor court, 2800 Pennsylvania Ave NW, 3 min away.	Mapbox
Rally point	The Ritz-Carlton Georgetown lobby, 3100 South St NW (R), about 150 yards north across K St.	Map. Lobby hours: **recon**
Verdict	**AMBER**: dead end with one way in and out, and we leave close to closing time.	Plan

Closing time. TomTom lists Friday hours as 11:30 AM to 10:30 PM. Departing 10:15 PM is close to closing. **Dead end.** Washington Harbour is a waterfront dead end: the only way out by car is back to K St.

Hand-off to the site advance

- Site advance (or the agent, if no one is ahead) confirms the table and the walking route from K St.
- Restaurant manager's direct line goes to the site advance, not in this packet.
- 10-minute call to the driver before the principal leaves the table.

Medical kit and medical history are covered in the site advance and the principal's file, not in this packet.

RECON, DAY-OF CHECKS AND COMMS

What to check before the move

Recon drive

Best on a Friday evening between 5:30 and 10:30 PM, the same as the move. Allow about 1.5 hours to drive all three legs, both routes, and the hospital runs. Short on time? Do the 15-minute minimum: drive the primary into each stop, look at the drop-off, pick-up and rally point, and find the nearest way out. Log what you drive on the recon log form.

#	Where	Confirm
1	Willard	Can a car stand at point D at 5:25 PM and 10:30 PM? F St door open late. JW Marriott lobby open as the rally point.
2	15th St and Penn Ave	Open, or closed for White House security. Fallback via 9th St.
3	9th St Expressway tunnel (spot 2)	Open and clear. Time it.
4	14th St SW to Maine Ave	Which ramp the listed bridge closure affects.
5	The Anthem	How close a car gets to the door at 5:45 PM. Parking entrance and exit. InterContinental lobby as backup and rally point.
6	The Anthem at 8:00 PM	Crowd and rideshare queue at show time (go on a show night if possible).
7	Potomac Freeway and Rock Creek Pkwy	Roadworks status. Exits.
8	Washington Harbour (spots 1 and 2)	Garage entrance. Walk from K St to the door. Drive M St to 31st St as the fallback. Ritz-Carlton lobby open late.
9	George Washington University Hospital	Drive the run from each stop. Mark the ER door and where to stop.

Day-of checks

- Day before: re-drive anything that changed, and re-run the events check (page 3).
- 30 minutes before each departure: closures, traffic, local news, White House area closures.
- Forecast that morning and again at 4 PM. Concert time at The Anthem and Fiola Mare's hours.
- Fuel full, phone charged, packet on the driver's phone. Site advance in place at The Anthem by 5:30 PM.

Code words

Code word	Means
"Scenic"	Switch to the alternate route
"Coffee stop"	Nearest safe haven on this leg (strip map notes)
"Early night"	Medical: hospital run to George Washington University Hospital
"Rain check"	Cancel the next stop and return to the Willard

Ordinary words, so they don't alarm the principal. Packet goes only to people on the move, by an end-to-end encrypted app.

If comms go down

1. No answer at a checkpoint call: call once more, then text.
2. No contact for 5 minutes: car goes to the stop's **rally point**; principal and agent walk there.
3. Phones down: meet at the rally point, wait 15 minutes, then return to the Willard.

Rally points: Willard: JW Marriott. The Anthem: InterContinental The Wharf. Fiola Mare: the Ritz-Carlton Georgetown.

Confidence

- **Verified (Nov 9 and 10):** addresses and stopping points (Mapbox, TomTom); routes, times and hospital turns (Mapbox, TomTom); closures (TomTom); trauma levels (hospital sites); Fiola Mare hours (TomTom); events (venue sites and listings); sunset (calculated).
- **Estimated:** drive times on Nov 20; crowd size; station hours marked "per listing".
- **Not checked:** doors, garage entrances, curb rules, ER door and rally point lobby hours (recon); weather (out of range).
